Introduced by:
(PH)

AN ACT CONCERNING THE REGULATION OF YOUTH CAMPS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Subsection (b) of section 19a-428 of the general statutes is repealed
2 and the following is substituted in lieu thereof:

3 (b) The Commissioner of Public Health shall adopt regulations, in
4 accordance with the provisions of chapter 54, allowing physical
5 examinations or health status certifications required by youth camps
6 prior to the date of arrival at youth camps to be made by a physician,
7 an advanced practice registered nurse or registered nurse licensed
8 pursuant to chapter 378 or a physician assistant licensed pursuant to
9 chapter 370. Such regulations shall permit a physical examination that
10 is required for school purposes to also be used to satisfy any such
11 required youth camp examination or certification, subject to such
12 conditions regarding the timeliness of such examination as the
13 commissioner deems appropriate.

Statement of Purpose:

To amend statutory provisions governing youth camps in order to reduce medical costs to families by allowing the results of a single

physical examination to be used for both youth camp and school purposes.
